MESSAGE FROM MANAGING DIRECTOR

Dear Shareholders,

It gives me great pleasure to present 38th Annual Report for the Financial Year 2022-23 of eYantra Ventures Limited (Company). I take this opportunity to write to you at the dawn of a new era of growth in the journey of your Company. I hope this communication finds you all in good health.

It is my privilege to present the performance of the Company for Financial Year (FY) 2022-23. FY 2022-23 has been yet another year wherein we continued to build our solid fundamentals and drive growth momentum with the collaborative efforts of our team, we recorded strong financial performance.

During the year under review, our core business has demonstrated sustainable growth recording a growth of 214.16% in revenue from Rs. 158.21 Lakh in Financial Year 2021-22 to Rs. 497.05 Lakh in Financial Year 2022-23. Our EBITDA increased from Rs. 4.22 Lakh in Financial Year 2021-22 to Rs. 67.62 Lakh in Financial Year 2022-23 and our PAT stood at Rs. 52.47 Lakh in Financial Year 2022-23 as against Rs. 4.22 Lakh in the previous Financial Year.

Talking about the future plans of the company, I would like to inform you that in the upcoming years, company's main focus will be on significantly improving customer experience, to build strong brand awareness and build organization capabilities across strategy, sales & account management, marketing, customer service and technology.

The Journey Continues

We see an unprecedented amount of opportunity in our future. Although we still have a lot of hard work ahead, our services are generating excitement among our customers. And when I pause to reflect on how far we have come over the past years and how much further we will go in the next one, I couldn't be more excited and optimistic.

Going forward, I am confident that our strategy, practical approach, focus on responsive execution and our committed team will enable us to improve our performance, thereby creating greater shareholder value. The contribution made by the employees at all levels is truly admirable. I express my sincere appreciation to all our Board Members and Shareholders for their continued trust and support which helped us to evolve and has given us the confidence to keep exploring ourselves year after year.

Warm Regards,

Vinita Raj Narayanam
Managing Director

NOTES:

1. In view of the continuing Covid-19 pandemic and consequential restrictions imposed on the movements of people, the Ministry of Corporate Affairs (“MCA”) has vide its General Circular No. 14/2020 dated April 08, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 05, 2020, 22/2020 dated June 15, 2020, 33/2020 dated September 28, 2020, 39/2020 dated December 31, 2020, 02/2021 dated January 13, 2021, 10/2021 dated June 23, 2021, 20/2021 dated December 08, 2021 and 11/2022 dated December 28, 2022 (collectively referred to as “MCA Circulars”) and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/ 11 dated January 15, 2021, SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 and SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 (collectively referred to as “SEBI Circulars”) Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the MCA Circulars granted certain relaxations and thus permitted the holding of Annual General Meeting (“AGM”) of the companies through VC/OAVM viz. without the physical presence of the Members at a common venue. Hence in compliance with the provisions of the Companies Act, 2013 (“Act”), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and MCA / SEBI Circulars, as applicable, the AGM of the Company is being held through VC / OAVM (e-AGM).
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/ OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/ OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/ OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.eyantraventures.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e., BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/ OAVM in compliance with applicable provisions of the Companies Act, 2013 read with aforesaid MCA Circular.
8. In continuation to this Ministry's General Circular No. 14/2020 dated 08.04.2020 and General Circular No. 03/2022 dated 05.05.2022 and after due examination, it has been decided to allow companies to conduct their AeGMs through Video Conference (VC) or Other Audio Visual Means (OAVM) or transact items through postal ballot in accordance with framework provided in the aforesaid Circulars up to 30th September, 2023.
9. In compliance with applicable provisions of the Act read with the MCA Circulars and the Listing Regulations, the AGM of the Company is being conducted through VC/OAVM. In accordance with the Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India ("ICSI") read with Clarification/Guidance on applicability of Secretarial Standards - 1 and 2 dated 15th April, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.
10. The company has appointed M/s. Vivek Surana & Associates, Practicing Company Secretaries, as scrutinizer of the company to scrutinize the voting process.
11. Since the AGM will be held through VC/OAVM Facility, Proxy form, Attendance Slip and the Route Map is not annexed in this Notice.
12. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc. to their Depository Participants (DPs).
13. Members seeking any information with regard to the financial statements or any matter to be placed at the AGM, are requested to write to the Company at its email id cs@eyantraventures.com at least

seven working days prior to the date of the AGM, to enable the management to keep the information ready at the AGM.

14. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the Members during the AGM. All documents referred to in the Notice will also be available electronically for inspection without any fee by the Members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to cs@eyantraventures.com.
15. Pursuant to Section 72 of the Act, Members are entitled to make a nomination in respect of shares held by them. Members desirous of making a nomination, pursuant to the Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, are requested to send their requests in Form No. SH-13, to the RTA of the Company. Further, Members desirous of cancelling/ varying nomination pursuant to rule 19(9) of the Companies (Share Capital and Debentures) Rules, 2014, are requested to send their requests in Form No. SH-14, to the RTA of the Company.
16. In terms of the provisions of Section 152 of the Act, Mrs. Vinita Raj Narayanam, Managing Director (DIN:09521916), of the company is liable to retire by rotation at this AGM. Brief resume of Directors who are proposed to be appointed, nature of their expertise in specific functional areas, names of the companies in which they hold directorships and membership/chairmanships of Board Committees and shareholding in the Company as stipulated under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings issued by ICSI are forming part of the Notice and appended to the Notice.
17. Corporate Members are required to upload a certified copy of the Board resolution authorizing their representative to attend the AGM through VC and vote on their behalf.
18. In case of joint holders attending the Meeting, the member whose name appears as the first holder in the order of names shall be entitled to vote.
19. The Company has provided the facility to Members to exercise their right to vote by electronic means, both through remote e-voting and e-voting during the AGM. The process of remote e-voting with necessary user id and password is given in the subsequent paragraphs. Such remote e-voting facility is in addition to e-voting that will take place during the 38th AGM being held through VC.
20. In line with the MCA Circulars, the Notice of the 38th AGM along with the Annual Report 2022-23 are being sent only by electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories. Members may please note that this Notice and Annual Report 2022-23 is also being available on the Company's website at www.eyantraventures.com and on the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com.

21. The Register of Members and the Share Transfer Books of the Company will remain closed from 24.09.2023 to 30.09.2023 (both days inclusive).

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on 27.09.2023 at 09.00 a.m. and ends on 29.09.2023 at 05.00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) 23.09.2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date may also attend/participate in the AGM through VC/OAVM but would not be entitled to vote on such resolution again.
- (iii) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing as a and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

ANNUAL EVALUATION OF BOARD'S PERFORMANCE:

In line with Securities and Exchange Board of India Circular No. SEBI/HO/CFD/CMD/CIR/P/2017/004, dated January 5, 2017 and the Companies Amendment Act, 2017 the Company adopted the recommended criteria for board evaluation by Securities and Exchange Board of India.

SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 mandates that the Board shall monitor and review the Board evaluation framework. The Companies Act, 2013 states that a formal annual evaluation needs to be conducted by the Board of its own performance and that of its committees and individual Directors. Schedule IV of the Companies Act, 2013 states that the performance evaluation of Independent Directors shall be conducted by the entire Board of Directors, excluding the Director being evaluated.

Questionnaire(s) for the purpose of evaluation have been framed on various parameters for each of the categories. These include quantitative questions along with an option to provide feedback for overall performance based on ratings.

The Annual Performance Evaluation was conducted for all Board Members, for the Board as whole and its Committees for the financial year 2022-23. This evaluation was led by the Nomination and Remuneration Committee of the Company.

Evaluation of Board's performance was based on criteria such as structure and functioning of the Board, frequency of meetings and effectiveness, discussions, professional development, etc. Evaluation of Committees was based on criteria such as adequate independence of each Committee, frequency of meetings and composition and functioning of Board Committees and effectiveness of its advice/recommendation to the Board, etc. Evaluation of Directors was based on criteria such as participation and contribution in Board and Committee meetings, knowledge and competency, commitment, integrity, experience and expertise, ability to function as a whole etc. Further Independent Directors were evaluated on parameters such as skills, expertise and exercise of independent judgment in major decisions of the Company, participation and contribution in Board and Committee meetings etc. Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

The Individual Directors response to the questionnaire on the performance of the Board, Committee(s), Directors, were analysed. The Directors were satisfied with the evaluation process and have expressed their satisfaction with the evaluation process.

INDEPENDENT DIRECTORS MEETING:

In a separate meeting of independent directors was conducted on March 25, 2023 to evaluate the performance of non-independent directors, the board as a whole and the Chairman of the Company, taking into account the views of executive directors and non-executive directors, and to assess the quality, quantity and timeliness of flow of information between the Company management and the Board.

NOMINATION AND REMUNERATION POLICY:

The assessment and appointment of Members to the Board is based on a combination of criterion that includes ethics, personal and professional stature, domain expertise, gender diversity and specific qualification required for the position. The potential Board Member is also assessed on the basis of independence criteria defined in Section 149(6) of the Companies Act, 2013 and Regulation 27 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In accordance with Section 178(3) of the Companies Act, 2013 and Regulation 19(4) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, on the recommendations of the Nomination and Remuneration Committee, the Board adopted a remuneration policy for Directors, Key Management Personnel (KMPs) and Senior Management. The Policy is included in the Directors Report elsewhere. The policy is uploaded on the website of the Company and the same can be accessed at www.eyantraventures.com.

The Managing Director of the Company had waived off her remuneration for the Financial Year 2022-23. We affirm that the remuneration paid, if any, to the Directors is as per the terms laid down in the Nomination and Remuneration Policy of the Company.

ANNEXURE-2

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Overview

The Indian economy was predicted to develop well in Financial Year 2022-23 despite of the second wave of the COVID-19 Pandemic that hit the Indian economy and the global economy, backed by Reserve Bank of India (RBI) and government's fiscal and monetary policies, respectively.

The financial statements of eYantra Ventures Limited ("the Company") are prepared in compliance with the applicable provisions of the Companies Act, 2013 read with the rules made thereunder (including any amendments or re-enactments thereof) for the time being in force.

We always want to look ahead and push ourselves to reinvent and re-innovate. Pursuant to the change in management, the new management introspected and realised the need to change the main objects of the Company to:

- a) carry on the business of managing, administrating, organizing, trading, developing, dealing, advising, deploying, implementing, consulting, providing various technologies, and other services in the field of prepaid cards, utility bill payments, micro credit cards, vouchers, coupons, bonus rewards programs, smartcards, e-wallets, purchase on merchant establishment and others to be used;
- b) carry on the business of design, developing, consulting, altering, buying, selling, leasing, licensing, reselling, exchanging, acting as agents, contractors, sub-contractors, distributing, web host (in data centers or over the web), own and third party computer software packages, providing programs, solutions, packages, and to provide internet/web based applications or otherwise Information Technology enabled services;
- c) carry on the business of advertising & marketing including digital marketing, media agents, publicity, public relations, media services, mass communication, market research, sales promotion, to provide digital marketing solutions on Mobile and Internet platforms and to promote their products and services through publicity or advertising time or space or any other media;
- d) undertake designing, development and carrying the business of e-commerce, Business to Business (B2B), Business to Consumer (B2C) dot coms, portals, Electronic commerce(E commerce) solutions of all kinds and nature and to Create online Platform/Web Site where the user can access all the bank accounts held by him in multiple Banks; and
- e) deal in all kinds of goods, novelties, gifts, promotional merchandise of all kinds and nature including but not limited to artifacts, leather goods, plastic goods, electrical and electronic goods, apparels, garments and textile goods, stocking or otherwise.

The new management is of the firm belief that pursuing the new objects, the Company will make a positive turnaround in the years to come.

Industry Structure and Developments

Since the global economy was pushed to its knees by the financial crisis a decade ago followed by COVID-19 pandemic, financial technology entrepreneurs have swooped in and provided more imaginative

solutions to challenges in traditional banking, insurance, and asset management. In recent times, the financial industry has recently experienced remarkable growth due to legislative, regulatory and technological advancements. Numerous new organizations have emerged, and the variety of their services and their geographic reach have expanded as well.

FICCI characterized India's financial sector as one of the fastest growing sectors in the economy, pointing out that it has witnessed increased private sector activity, including IPOs, venture capital and investment institutions.

Opportunities and Threats

We believe our strengths give us the competitive advantage to solve the strategic challenges of business.

Segment –wise or product wise performance:

The Company during the year made a turnover of Rs. 497.05 Lacs and earned a net profit of Rs. 52.47 Lacs thereon. The Company is not into multi segment or products

Outlook

Presently the outlook is very promising. Our success depends largely upon our highly-skilled technology professionals and our ability to hire, attract, motivate, retain and train these personnel. Our revenues are highly dependent on the clients. New and changing corporate governance and public disclosure requirements add uncertainty to our compliance policies and increase our costs of compliance.

Risk and Concerns

Any adverse change in the industry or negative policy of Government will affect the company's sector adversely.

Internal Control System and their Adequacy

The company has adequate internal control system to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition.

Discussion on financial performance with respect to operational performance

Please refer to the Director's report for the summary of the financial performance.

Material developments in Human Resources/ Industrial Relations front, including number of people employed.

Company has trained and well experienced personnel. The Company had 4 permanent employees during the year 2022-23 and now is planning to scale up the workforce to achieve the objects as amended subsequent to the takeover of the Company.

FINANCIAL STATEMENT

INDEPENDENT AUDITOR'S REPORT

To the Members of
EYANTRA VENTURES LIMITED (formerly known as Punit Commercials Limited)

Report on the audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **EYANTRA VENTURES LIMITED (formerly known as Punit Commercials Limited)** ("the Company"), which comprise the Balance Sheet as at 31st March 2023 and the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, its profit, its cashflows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	Auditor's Response
1. The Company recognizes revenue from sale of goods based on the terms and conditions of purchase orders / contracts received from different customers. For recognising revenue in case of sale of goods, it is essential to ensure that the control of the goods have been transferred to the customers.	1. Information Other than the Ind AS Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report but does not include the Ind AS financial statements and our auditor’s report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in

the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in our Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Eyantra Ventures Limited (formerly known as Punit Commercials Limited)** ("the Company") as of 31st March 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

EYANTRA VENTURES LIMITED (formerly known as Punit Commercials Limited)

Notes to the financial statements for the year ended 31 March 2023

1 Corporate information

EYANTRA VENTURES LIMITED (formerly known as Punit Commercials Limited) was incorporated on 22 December 1984. The Company was engaged in the business of B2B Corporate Gifting and Custom Merchandise solutions

2 Significant accounting policies

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below.

2.1 Basis of Preparation and Presentation

The financial statements have been prepared on the historical cost basis and on accrual basis, except for the following items

- i) Certain financial assets and liabilities : Measured at fair value
- i) Borrowings: Amortised cost using effective interest rate method
- ii) employee defined benefit assets/(liability): Present value of defined benefit obligations less fair value of plan assets

The financial statements have been prepared and presented in accordance with the Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Up to the year ended 31st Mar, 2017, the Company prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read with Rule 7 of Companies (Accounts) Rules, 2014 ('Previous GAAP').

Company's financial statements are presented in Indian Rupees, which is also its functional currency.

2.2 Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

2.3 Measurement of fair values

Accounting policies and disclosures require measurement of fair value for financial assets and financial liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability,

assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.4 Current and non-current classification:

The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current. The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

Assets

An asset is classified as a current when it is:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is expected to be realised within twelve months from the reporting date;
- it is held primarily for the purposes of being traded; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets are classified as non-current.

Liabilities

A liability is classified as a current when:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is due to be settled within twelve months from the reporting date;
- it is held primarily for the purposes of being traded;
- the Company does not have an unconditional right to defer settlement of liability for at least twelve months from the reporting date. All other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non-current.

Operating Cycle

Operating cycle is the time between the acquisition of assets for processing and realisation in cash or cash equivalents. The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

2.5 Property, plant and equipment

Property, plant and equipment are stated at cost, net off recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price and any cost directly attributable to bringing the assets to its working conditions for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of property, plant and equipment and are recognised in the statement of profit and loss.

Depreciation on property, plant and equipment is provided using written down value method. Depreciation is provided based on useful life of the assets as prescribed in schedule II to the companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.6 Intangible assets

Intangible assets that are acquired by the company are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Subsequent expenditures are capitalised only when they increase the future economic benefits embodied in the specific asset to which they relate.

Gains and Losses arising from de-recognition of an intangible assets are recorded in the statement of profit and loss, and are measured as the difference between the net disposal proceeds, if any, and the carrying amount of the asset.

2.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchase and sale of financial assets are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

i. Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Investment in subsidiaries

The Company has accounted for its investment in subsidiary at cost.

Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

For trade receivables, Company applies 'simplified approach' for recognition of impairment loss allowance on the trade receivable balances. The application of simplified approach require the Company to recognise impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable transaction costs. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

A financial asset (or a part of the financial asset) is derecognized from the Company's balance sheet when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of the financial liability) is derecognized from the Company's balance sheet when the obligation under the liability is discharged or cancelled or expires.

2.7 Cash and cash equivalents

Cash and cash equivalents consist of cash at banks and on hand, demand deposits and other short term deposits that are readily convertible into known amounts of cash, are subject to insignificant risk of changes in value and have a maturity of three months or less.

2.7 Inventories

Inventories consist of raw materials, stores and spares, work-in-progress and finished goods are measured at the lower of cost and net realisable value after providing for obsolescence. The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

2.8 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated to determine the extent of impairment if any.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognised in the statement of profit and loss to the extent, the carrying amount of an asset or its cash-generating unit exceeds its estimated recoverable amount.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.9 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of

time is recognised as a finance cost.

Contingent liabilities

A contingent liability is disclosed when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

2.10 Revenue recognition

i. Revenue from contracts

Revenue from contracts priced on a time and material basis are recognised as the related services are rendered and the related costs are incurred. Revenue from the end of the last invoicing to the reporting date is recognized as unbilled revenue.

Revenue from fixed price contracts is recognised as per the 'percentage of completion' method, where the performance obligations are satisfied over time and when there is no uncertainty as to measurement or collectability of consideration.

ii. Revenue from services

Service income is recognised as per the terms of contracts with the customer, when the related services are performed.

iii. Sale of goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing effective control or management involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

iv. Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and effective interest rate applicable.

2.11 Employee Benefits Expense

i. Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

ii. Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company's contributions to defined contribution plans are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The liability in respect of gratuity benefit is determined using the Projected Unit Credit Method based on actuarial valuation, performed by an independent qualified actuary.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

2.12 Finance cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are capitalized as part of the cost of such assets.

All other borrowing costs are charged to the statement of profit and loss for which they are incurred.

2.13 Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Non-Monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of transaction.

2.14 Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax expense is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current tax

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax

Deferred tax is recognised using the balance sheet method on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding amounts used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply to the temporary differences in the period in which the liability is settled or the asset realised, based on tax laws that have been enacted or substantively enacted by the end of the reporting period.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

2.15 Earnings per share

The Company presents basic and diluted earnings per share (“EPS”) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares except where the result would be anti dilutive.

2.16 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right of use assets representing the right to use the underlying assets.

1) Right-to-use assets

The Company recognises right of use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right of use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right of use assets are also subject to impairment

ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivables, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease. If the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

In addition, the carrying amount of lease liabilities is remeasured if there is a modification,

A Change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short term leases of office premises (i.e those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office premises that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight line basis over the lease term.

28 Financial Risk Management

In course of its business, the company is exposed to certain financial risk such as market risk , credit risk and liquidity risk that could have significant influence on the company's business and operational/financial performance. The Board of directors and the Audit Committee reviews and approves risk management framework and policies for managing these risks and monitor suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.

a. Credit risk

Credit Risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The Company has a prudent and conservative process for managing its credit risk raising in the course of its business activities. Credit risk is managed through continuously monitoring the creditworthiness of customers and obtaining sufficient collateral, where appropriate, a means of mitigating the risk of financial loss from defaults.

The company makes an allowance for doubtful debts/advances using expected credit loss model.

b. Liquidity risk

Liquidity Risk refers to the risk that the company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The company has obtained fund and non fund based working capital loans from bank .The borrowed funds are generally applied for company's own operational activities.

The table below provides details regarding the contractual maturities of significant financial liabilities.

c. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices such as commodity prices, foreign currency exchange rates and other market changes.

d. Exchange rate risk

The company has no foreign operations and hence not exposed to exchange rate risk.

e. Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. The company's exposure to the risk of changes in the market interest rate relates primarily to the company's long term debt obligations with floating interest rates. The company's interest rate exposure is mainly related to variable interest rates debt obligations. The company manages the liquidity and fund requirements for its day to day operations like working capital, suppliers /buyers credit.

The Interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the company is as follows:

Cash flow sensitivity analysis for variable -rate instruments

The risk estimates provided assume a change of 25 basis points interest rate for the interest rate benchmark as applicable to the borrowing summarised above. This calculation assumes that the change occurs at the balance sheet date and has been calculated on risk exposures outstanding as at that date assuming that all other variables, in particular foreign currency exchange rates, remain constant. The period end balances are not necessarily representative of the average debt outstanding during the period.

* excludes Financial assets measured at cost

The management assessed that cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Unobservable Inputs for the asset or liability.
